### Servants A Downstairs History Of

The cover does say it's "A downstairs history of Britain from the nineteenth century to modern times." I suppose it's my fault I didn't pay more attention to the Amazon blurb, which say it covers the Edwardian period. Anyway, with the exception of just a few mentions, this book is about servants in the early 1900s.

Servants: A Downstairs History of Britain from the Nineteenth-Century to Modern Times. A compassionate and discerning exploration of the complex relationship between the server, the served, and the world they lived in, Servants opens a window onto British society from the Edwardian period to the present.

### Servants: A Downstairs History of Britain from the ...

There's a tendency to think of servants as existing in the world of Downton Abbey and Upstairs Downstairs but for the majority of servants life was very different. Of the one and a half million female servants in Edwardian Britain (out of a total female workforce of four million) the majority worked in single servant households.
