DoD Shelf-Life Program
Shelf life definition is - the period of time during which a material may be stored and remain suitable for use; broadly : the period of time during which something lasts or remains popular.

Shelf Life | Definition of Shelf Life by Merriam-Webster
Shelf life is the length of time that a commodity may be stored without becoming unfit for use, consumption, or sale. In other words, it might refer to whether a commodity should no longer be on a pantry shelf (unfit for use), or just no longer on a supermarket shelf (unfit for sale, but not yet unfit for use).
