LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Since 2008, Sirius XM Radio has had a similar channel lineup, with a few differences based on whether the individual has a Sirius, XM, or SiriusXM radio. For technical reasons, separate radios continue to be manufactured for the separate services despite the programming lineups having since been merged.
