3 Formats for Pediatric Occupational Therapy Goal-Writing. There's no one right format for goal-writing. You'll want to make sure each goal is specific, measurable, attainable, relevant, and time-bound (), but you have flexibility in how you structure the goals.Here are three formats for goal-writing to consider:

10 Examples of Pediatric Occupational Therapy Goals

What are SMART Goals? The key to effective goal-setting practice is to define exactly what you're seeking to do. It is not enough to say, "I want to be rich." This vague statement doesn't say anything about how and when the outcome will be achieved.In fact, it doesn't even clarify what you mean by the term "rich" and what, according to you, is "poor."
