### Stemsscopes Guided Practice Answer

How does STEMscopes help under-performing students? Intervention can be a big challenge in today's time-crunched classrooms. We offer teachers easy, manageable solutions to reach under-performing students such as small-group hands-on guided practice experiments, CLOZE passages, and a breakdown of the language of each standard to make learning the content easily digestible.

### Frequently Asked Questions | STEMscopes

Every STEMscopes Math lesson is built from the ground up to the standards. Chunking information into bite-size pieces, we make our units (called "scopes") digestible and engaging. On average, a scope takes one to two weeks.
