### MANUAL / STANDARD TRANSMISSION - T45 MUSTANG 5-SPEED ...

The T45 was the first manual transmission for the Mustang that was designed to work with the OHC style of the new engine. The next generation of transmission, the TR3650, would last from 2001 to 2010, and the T-5 lasted from 1982-1996. Compared to their decade long lifespan, the T45 seems incredibly short-lived at a mere five.

### T45 - Transmission

The T-45 five-speed overdrive transmission was developed primarily for high-performance cars with relatively high-engine torque requirements but is adaptable to other light-duty applications such as sport utility light trucks. Product Run 1996 - Feb 2001 Ford 4.6L Mustang The Borg Warner T-45 was introduced in 1996 when the Ford 4.6L Modular motor was released. These...

### TRANSMSSION DETAILS: TREMEC T-45 - Modern Driveline

So I am currently rebuilding my t45 from my GT. Before I started I was searching for a service manual to help guide me thru the first tear down and rebuild. My searches resulted in a few explosion diagrams and home made how to's. Saw on some sites that their were T5 and T56 service manuals on Tremecs' site but nothing for the T45. I ended up getting in to contact with a service engineer at ...

### Rebuilding a T45 trans... their is a souldion

So, I'm contemplating rebuilding my Borg Warner T45 myself come springtime. I'm not afraid of tackling complex or difficult tasks, and between myself and my father-in-law, the only possible tool that we lack is a tranny jack. I've got the shop manual, and my father-in-law has experience rebuilding both auto and manual tranny's.

### T45 Rebuild, how easy? | Ford Mustang Forums

So I'm deciding if I want to rebuild my t45 or just swap it for a t5 or a better transmission. I'm going to put in a spec stage 2 clutch most likely, because I want to build a motor for about 375 to 425 hp. Would the t45 be good to build up or just swap with another model. I have about a grand to play with. Thanks for the input Mike
