There's no better way to learn Japanese than exploring the culture and sampling some of the signature dishes!

Sushi is one of the most popular Japanese foods, not only in Japan, but also

worldwide. Sushi has a long history in Asia, and the traditional Japanese cuisine is vastly different from the sushi you find in America, which brings us to etiquette.

The Complete Manual of Suicide - Wikipedia

Sake is a Japanese alcoholic beverage made by fermenting rice. It is usually enjoyed in a small cup called the ochoko, in which sake is poured in from the tokkuri flask. As different regions have different kinds of rice and varying water quality, each area has its own local sake.
