Arizona State University Mail Services sorts and delivers all US Postal Service and intercampus mail Monday through Friday to over 450 departments from 8:30 a.m. to noon. Addressing mail to ASU Each ASU campus uses a specialized address format, including a campus-specific mail code, to ensure efficient and accurate delivery. Use the ASU directory to find a faculty or staff member.

Department Mail | Arizona State University

Is a mailing address the same as a street address? There's an important difference between a mailing address and a street address. A mailing address is where you want to direct the majority of your business mail. In contrast, a street address is often used as another name for a physical address, meaning the address where your business is located.

What is the difference between a mailing address and ...
