The Crisis of Capitalist Democracy - Viewpoint
As Richard A. Posner argues in "The Crisis of Capitalist Democracy," Congress is rushing to devise remedies for a crisis we have not yet properly understood. Indeed, the House bill explicitly...

Book Review - The Crisis of Capitalist Democracy - By ...
The Crisis of Globalization: Democracy, Capitalism and Inequality in The Twenty-First Century, Policy Network announced recently a new book about the crisis of globalization going on nowadays. In recent years, the effects of economic openness and technological change have fuelled dissatisfaction with established political systems and led to new forms of political populism that exploit the economic and political resentment created by globalization.

The Crisis of Globalization: Democracy, Capitalism and ...
The Crisis of Capitalist Democracydoesn't offer much that is new on a subject that has been headline news for several years now, but it is a useful summary of the crisis, and aspects of the book -- including Posner's insistent reminders of how the US government's failures played such a central role in causing (and, in part, continuing) the crisis -- are particularly helpful.

The Crisis of Capitalist Democracy - Richard A. Posner
Democracy is in crisis, from the streets of Ferguson to the struggle in Greece. Throughout the world millions suffer under neoliberalism and austerity but are unable to force their governments to address their needs. Fundamentally, democracy is about the relationships between the state, markets and civil society.

GLOBAL CAPITALISM and the CRISIS OF DEMOCRACY - CLARITY PRESS
Post-war democratic capitalism underwent its first crisis in the decade following the late 1960s, when inflation began to rise rapidly throughout the Western world as declining economic growth made it difficult to sustain the political-economic peace formula between capital and labour that had ended domestic strife after the devastations of the Second World War.

The Hidden History of Burma: Race, Capitalism, and the ...
In this way the crisis of social democracy reflects the crisis of the capitalist system. In truth society has moved to the left since 2008. There is a radicalisation and a desire to express the anger built up at the injustices of the past two or three decades, to come to a reckoning with 'the establishment'.

The crisis of social democracy - marxist.com
A capitalist democracy devoid of virtue is inherently doomed. A capitalist democracy that wants to hold on to the most convenient parts of socialism (primarily those redistributive elements that helps politicians buy votes) and yet simultaneously present laissez-faire as its modus operandi is going to stumble over itself.
