Defamation, which is the generic name for the torts of slander and libel, is an area of tort which has two names according to Stanton. He states that the first of these two aims is to provide a remedy with which a person can protect his or her reputation from attack.

Law of Defamation - Law Teacher

defamation a form of wrong done by words. A defamatory statement is one that tends to lower the plaintiff in the minds of right-thinking people. In England there is a technical distinction in the law of defamation between libel and slander. Libel refers to a permanent form such as print and slander to a transient form such as speech. Some Australian states have abolished the distinction between slander and libel.

Defamation legal definition of defamation

Defamation law tries to balance competing interests: On the one hand, people should not ruin others' lives by telling lies about them; but on the other hand, people should be able to speak freely without fear of litigation over every insult, disagreement, or mistake.

Defamation Law Made Simple - Nolo

According to Defamation Prohibition Law (1965), defamation can constitute either civil or criminal offense. As a civil offense, defamation is considered a tort case and the court may award a compensation of up to 50,000 NIS to the person targeted by the defamation, while the plaintiff doesn't have to prove a material damage.

Defamation - Wikipedia

The law of defamation protects individual reputation. The law assumes that all people are of good character until the opposite is proved. People may believe that they have been 'defamed' if someone says or implies something negative about their character but whether this is defamatory depends on factors such as its context...

What is Defamation?

If a qualified privilege applies to a statement, it means that the person suing for defamation must prove that the person who made the defamatory statement acted intentionally, recklessly, or with malice, hatred, spite, ill will or resentment, depending on your state's law.

Privileges and Defenses in Defamation Cases | Nolo

Defamation Law falls under Tort Law. It refers to false statements about a person, communicated as fact to one or more other persons by an individual or entity (such as a person, newspaper, magazine, or political organization), which causes damage and does harm to the target's reputation and/or standing in the community.
