If you are looking for Indie books,
Bibliotastic provides you just that for
free. This platform is for Indio authors
and they publish modern books. Though
they are not so known publicly, the
books range from romance, historical or
mystery to science fiction that can be of
your interest. The books are available to
read online for free, however, you need
to create an account with Bibliotastic in
order to download a book. The site they
say will be closed by the end of June
2016, so grab your favorite books as
soon as possible.
