Ishi was the last known member of the Native American Yahi people from the present-day state of California in the United States. The rest of the Yahi were killed in the California genocide in the 19th century. Ishi, who was widely acclaimed as the "last wild Indian" in America, lived most of his life isolated from modern American culture. In 1911, aged 50, he emerged near the foothills of Lassen Peak in Northern California. Ishi, which means "man" in the Yana language, is an adopted name. The an
