You can even use your tractor as an emergency vehicle during times when using a standard vehicle isn't viable (usually during disaster scenarios and only for essential trips away from your property). Why Buy Used? Investing in used equipment primarily gives you a better deal on the initial price. After all, tractors are expensive.

California - Equipment For Sale - Equipment Trader

A farm vehicle is defined as a truck or truck tractor determined by PennDOT to be exclusively used for agricultural purposes. Examples include pick-up trucks, grain trucks, tanker trucks and cattle trucks. Farm vehicles are not farm machinery and equipment. The Pennsylvania Vehicle Code designates those vehicles as "implements of husbandry," when used on the farm.
