VW 411 and the VW 412. Both cars were manufactured from 1968 to 1974. The type 4 was introduced at the Paris Motor Show in October 1968. At that point, the 411 was VW's largest passenger vehicle with the company's largest motor (class: mid-size, large family car). Both 411 and 412 models were air-cooled, had rear placement, rear-wheel drive and a

simple enough - one of the main issues with

Volkswagen's

passenger cars of the

1960s was that none

had four doors. The

1968 411 was

designed to change all

of that.

**Volkswagen 411/412**

**Owners' Reviews...**

If this VW 411 L was indeed registered on June 30th, 1969 it is a late MY 1969 model. It must have been

produced somewhere between September 1968 and June 1969.

The wide single head lights, the VW logo on top of the bonnet and the "VW 411 L" script at the rear confirm this.
