The Polo isn't a cheap car to buy, but in the long run it's a similar cost to run as its main rivals. Very solid resale values mean you'll get more for it down the line than a Ford Fiesta or Vauxhall Corsa, and it's pretty competitive in costs when it comes to servicing, repair and general maintenance.

Overdrive in automatic car has come a long way since the improvement of the engine mechanism and highway transportation. The smooth roads and powerful cars encourage modern people to speed up on the road. But, auto manufacturers had to solve the challenge of creating a gearing that can adapt to higher speeds without frictional loss to the rear.
