Wellness And Physical Therapy Jones

Wellness and Physical Therapy is written to assist the physical therapy student in learning the entry level physical therapy accreditation requirements related to wellness and to provide a further exploration of wellness and health promotion. This one-of-a-kind textbook addresses wellness within the realm of the Normative Model of Physical Therapist Professional Education: Version 2004, and CAPTE.

Wellness and Physical Therapy - Jones & Bartlett Learning

The author in chapter 8, page 198, states "...physical therapists should perform mental and social wellness tests and measures, evaluate those examinations, assign a mental and/or social condition as well as a prognosis, develop goals and a plan of care related to mental and social wellness...". Physical therapists are generally neither trained nor qualified to evaluate, diagnose, and develop a mental wellness plan of care, and the author's proposal that this is within the scope of physical ...
