What I Learned Losing a Million Dollars by Jim Paul ...

That said, here's what I learned losing this money. Most days I had a little bit of fear in me. I became thrifty savvy because of this. I saved every penny since then because I wanted to recover the money and forget how the entire experience felt like. It was a disaster and a blessing. Disaster because it would take me a long time to get back ...

What I learned losing £3,000 on the worst day of my life

Even though a loss in the market is an external loss (since money is external, not internal), it is also the result of a continuous process and prone to becoming an internal loss." — Jim Paul, What I Learned Losing A Million Dollars

What I Learned Losing a Million Dollars Quotes by Jim Paul

What I learned losing a million dollars is to keep a simple life, to keep your expenses low even when you make more money. If you can do with one car instead of two, do that. I've also found it difficult to do things like reducing.

What I Learned Losing 1 Million Dollars - JerryBanfield.com

The loss of use of my leg is temporary: 4-8 weeks. They surgically reconnected the tendon last week (see photo), and with rehab and care I can likely play basketball again in 5-7 months. Despite the impermanent nature of my injury, it has had some permanent effects on how I look at things. Here's what I've learned.

What I learned from losing a leg | Scott Berkun

What I Learned Losing a Million Dollars is an autobiographical account of Jim Paul's life as a trader and broker. It chronicles the exciting ups and downs in a fun and easy to read way. And as a bonus, the book is educational too. The first part of this book, and probably the most exciting, is about the life of Jim Paul.
