### Why Simple Wins Escape The

Using simple stories and techniques, Why Simple Wins shows that by using simplicity as an operating principle, we can eliminate the busy work that puts a chokehold on us every day, and instead spend time on the work that we value.

### Why Simple Wins: Escape the Complexity Trap and Get to ...

"Why Simple Wins" was an odd duck of a book. While about simplicity, I found the book repetitive. And I was surprised at the perspectives on simplicity presented here - most of the book is on business simplicity, generally process simplicity, while parts are more about personal simplicity, like the simple living books popular in the self-help section of the bookstore.

### Why Simple Wins: Escape the Complexity Trap and Get to ...

Complexity is killing companies' ability to innovate and adapt, and simplicity is fast becoming the competitive advantage of our time. Why Simple Wins helps leaders and their teams move beyond the feelings of frustration and futility that come with so much unproductive work in today's corporate world to create a corporate culture where valuable, essential, meaningful work is the norm.
