Why There Is No God
With no enduring evidence that a God exists, there is simply no reason to believe in a deity, even if it's not possible to irrefutably disprove his existence. Many thought experiments have been created to show the absurdity of these claims, such as the Invisible Pink Unicorn, Carl Sagan's "The Dragon in My Garage," Russell's Teapot or the Flying Spaghetti Monster.

Why There Is No God: Quick Responses to 10 Common Theist ...
In reality, the only necessary argument against believing in God is simply that there is no evidence that any gods exist. As clarified above, an atheist doesn't need to justify his or her lack of belief further than this; no evidence supporting the existence of any deities exist.

Why There Is No God - Atheist Republic
Stephen Hawking makes it clear: There is no God. The physicist explains that science now offers more convincing explanations for existence. He is therefore an atheist.

Stephen Hawking makes it clear: There is no God - CNET
There is no other way, and it is time for sane human beings to own up to this. This is the age-old problem of theodicy, of course, and we should consider it solved. If God exists, either He can do nothing to stop the most egregious calamities, or He does not care to. God, therefore, is either impotent or evil.

There is No God (And You Know It) | HuffPost
The Biblical God is real. There is no evidence to support any of the claims made in the Bible concerning the existence of a god. Any 'evidence' proposed by theists to support the Bible's various historical and supernatural claims is non-existent at best, manufactured at worst.

Why there is no god
WHY THERE ALMOST CERTAINLY IS NO GOD. America, founded in secularism as a beacon of eighteenth century enlightenment, is becoming the victim of religious politics, a circumstance that would have horrified the Founding Fathers. The political ascendancy today values embryonic cells over adult people.
